

Goodbye Song

Now we're al-most o - ver. Now-we're al-most done. We've made a lot of mu - sic and
had a lot of fun. It's al-most time for you to go and head out on your way But be-
fore you leave me what's one thing you would say? You'd say fare-well. Now we are o - ver.
Now we are done. Now we are o - vew. Now we are done.

The purpose of this song is to bring close to the end of the session and provide opportunities for the client to practice different ways the client can say goodbye
