

Assignment #4 - “Library Research”

Goal

Gain familiarity with the literature search tools psychologists use and use these tools to find relevant literature.

Task

- 2) Print out a copy of the citation (including abstract) for Ruback and Juieng (1997) from PsycInfo**
- 3) List the number of publications Barry Ruback has had in his entire career**
- 4) Print out a copy of a citation (including abstract) for an article examining something similar to Ruback and Juieng (1997), but by different authors. The reference should be no more than 6 years old. Highlight or list the search terms you used. Hint: PsycInfo has the ability to display key “terms” associated with an article.**
